

Visitors from Canada Thrilled By Seeing Jerry Lewis at Work

By VIOLA KLUG
FR 5-5228

Daily vacation Bible school for children from 2 to 13 years of age will be held June 18 to 29 at the Seaside Community Evangelical and Reform Church, 230th and Ocean Ave.

Regular monthly meeting of the Woman's Guild of the church will be held next Tuesday at the church. Hostesses will be Betty Pauling and Dorothy Hollowell. They have planned a silent auction as the entertainment. This meeting is open to all members of the community.

Mrs. David Shepherd and daughter Margie, visiting here from Canada, had quite a thrill last week visiting Paramount Studios. Accompanied by daughter Barbara Kosick and daughter-in-law Alice, the visitors were able to see Jerry Lewis at work.

A household party for the benefit of Greenthumbers was held Thursday evening at the home of Dolly Mategorin, 22711 Susana. Demonstrator was Lillian DeWaldo, while those attending included Paula Houbacek, Betty Fitzgerald,

Josephine Fitzgerald, Martha Knight, Eleanor Greenwood, Peggy Viskocil, Maude Vulgamott, Dawn Wilhelm and Valerie Elliott. Coffee, ice cream and cake were served to the ladies.

Mr. and Mrs. Frank Hulen and daughter Frankie of West Los Angeles were guests of the John Klugs Sunday for a turkey barbecue.

Attending a family picnic Memorial Day in Canoga Park were Mr. and Mrs. Howard Elliott and Sidney and Denise. Mr. and Mrs. William D. Hamilton and Christie and Teddy, and Mr. and Mrs. John Beaver and Valerie.

The Tockey family of Shady-croft are entertaining Mrs. Tockey's mother, Mrs. T. A. Seibert, of St. Ignace, Mont., who arrived here Thursday morning for an indefinite visit.

We are sorry to hear that Dolly Mategorin and daughter have been having a bout with the flu. We are happy, though, to report that both are better.

Mr. and Mrs. Paul Sewall

and family have joined the neighborhood. They are now residing at 5702 Palos Verdes Blvd.

We have been worried for three years about the youngsters speeding down Palos Verdes Blvd. on their bikes. One 10-year-old girl visiting her grandmother in the area was thrown off last week and had to be taken to the hospital. We are happy to report that she was not injured seriously.

Bess Sellmeyer and Pat Rahm made the rounds of the neighborhood last Thursday kidnaping members of the Garden Club for a breakfast at the Dorothy Solis home on Linda Dr. Coffee cake and coffee were served to "victims" Viola Klug, Margaret Corey, Margie Moss, Florence Barrow, Josephine Fitzgerald, Betty Fitzgerald, Martha Knight, Mac Zeimet, Ida Handley and Peggy Viskocil. It was

the first appearance of Mae Zeimet following her illness.

Greenthumbers Garden Club will present its second annual flower at the Seaside School auditorium tomorrow and Saturday. The flower show committee includes Betty Fitzgerald, Bess Sellmeyer, Florence Barrow, Martha Knight, Evvie Horton and Dorothy Solis. Registering entrants this evening will be Peggy Viskocil, Martha Kollack, Paula Houbacek and Josephine Fitzgerald. On the registration desk tomorrow morning will be Dorothy Solis, Josephine Fitzgerald and Viola Klug. Judges will have lunch tomorrow at the home of Bess Sellmeyer.

We wish to extend our sympathies this week to Mrs. Dorene Stevenson and her three daughters of Avenue A on the loss of their husband and father.

Marine in AFD Parade

Marine Pvt. Robert J. McCann, son of Mr. and Mrs. George J. McCann of 17038 Illinois Ct., participated with more than 1000 members of the 3rd Marine Division's Artillery Regiment in a public parade on the island of Okinawa as part of the Armed Forces Day observances May 18.

Thousands of Okinawan and American spectators lined the streets as the Marines and other military personnel marched near Naha, capital city of Okinawa, once leveled by war. It was the first military parade on Okinawa since the beginning of World War II.

The Armed Forces Day celebration also included equipment displays by all branches of the service, along with an air fly-over viewed by throngs of onlookers at the Futenma Air Strip, located 15 miles north of Naha.

Steele to GP Post

Virgil Steele, 607 Sapphire, Redondo, has been elected to the board of directors of the Mobil Management Assn., General Petroleum Corp. Steele is an insulator foreman at the company's Torrance refinery. The Mobil Management Assn. is composed of more than 450 supervisory employees of General Petroleum.

MUSIC PROGRAM SET FOR SUMMER SCHOOL

Torrance Unified Schools will offer instrumental music instruction in conjunction with the summer school program. All students from grades five through 12 who have had a minimum of one year's playing experience are eligible to enroll. The program will include instrumental instruction. Two centers of music instruction will be available if the enrollment justifies tentative plans. One center will be at Torrance High and the other at North High.

GOOD VISION IS PRICELESS!

Don't take chances with your eyesight! Have your eyes examined regularly! Come in for a check-up NOW! See better... look better! "glasses here are never expensive"
